Company Profile

Wilkinson Painting is an owner-operated, custom painting company specializing in residential interior re-painting and remodel projects. We use the best products and perform top-notch preparation to ensure the greatest durability and therefore, value for our customers.

We have been painting homes in the Seattle area for five years and have a growing reputation for quality and fairness.

THE BOSS

Hi. My name is Norman Wilkinson. Thanks for taking a moment to hear what I have to say. Here's the deal. I am a residential house painter with 15 years experience. I need help mainly for the summer months when I have a lot of exteriors to get done. I'm looking for people who are willing to work hard and learn. Most of the work we do will be in the Seattle area (Magnolia, Issaquah, etc.). I can be flexible as far as hours and when you put them in. I've outlined some of the benefits. Give me a call to get more info or to get an application.

Come join us for the summer and have a great time!

Benefits Overview

- \$10/hr to start
- Flexible schedules
- End of season bonus plan
- Chance to work outdoors for the summer
- Get in shape
- Learn a skill

Painting with Norm was probably the most fun i have had with paint without a paintball gun.

Casey, former employee
